Mrs. Carrie Cohen,
Pittsburg, Pa.

My Dear Mrs. Cohen:-

Having agreed with Mrs. McCracken, Secretary of the P. & A. Free Kindergarten Association, to accept the Ella Street School as the one to establish a memorial kindergarten in honor of my dear wife, on lines as we discussed etc, etc.

I beg to enclose herewith my check for \$1200.00, the amount stipulated, which you will kindly hand to the Kindergarten Association at their meeting, which I am informed will be held on September 29th. The enclosed slip presents the words which I desire to have engraved on a tablet to be placed on the door of said kindergarten school.

In requesting you to be the bearer of this message, I feel as if I am asking a favor which will not alone give you pleasure to deliver, but that it will also in a measure tend to a recognition by the officers of the Kindergarten Association, as well as by myself, as an honor justly due you, since you are personally responsible for the suggestion how I may in the sweetest manner commemorate the seventieth birthday of my dear wife.

For that and your ever cordial friendship I thank you, and remain,
faithfully,

ENC

Your friend,
