My dear Crook

I was delighted to see your picture in this morning's Dispatch, and more than delighted to note your promotion to the Presidency of the Credit Association of Rye. Good luck to you. I hope you will succeed in having legislation enacted, to empower a creditor to sue a debtor and get judgment in 24 hours, for a debt less than \$500⁰⁰ & issue execution, unless security is furnished, for the purpose of an appeal ~~to~~ to a higher Court. ~~on~~ a law which has been in force at Leipzig for many years, & is dreaded by many Scamps, such as abound & prey upon our Merchants. Uncle Louis.
