Dear Mr. Herman:

The Chief of Police of McKeesport consulted me in regard to your inquiry as to one Arnold Kimelman.

I had an uncle Adolph Kimelman, who died several years ago, who was a brother of my Mother's, who is Peppa Buck. It is possible that you are a relative as my grandparents were Mendel Kimelman and Rachael Kimelman, of which Rachael Kimelman was a Herman. Mother is interested in first satisfying herself that you are a relative. If so, we probably can make arrangements for your entrance to this country provided circumstances and conditions make it possible for you to earn and maintain yourself upon the entrance to this country.

I am interested in knowing if you have a brother or a sister. Also upon your reply to me I want you to name them, if living or if dead, we would like to know their names. I would like to know your ages as well as how many is in your family, as that is very important.

I noticed in your letter you mentioned Mina Renert of New York. I am writing this day to Mina Renert also making inquiry as to your relationship and circumstances. I would like to know from you what has been done up until the present time and what papers have been prepared for your entrance to this country. Nodoubt, by the time you receive this letter I will have made sufficient inquiry to act upon the action which we intend to take. Therefore, I would like to know as soon as possible what other papers will be necessary to be made out so that your entrance can be more speedily made.

Upon receipt of your letter I will answer immediately.

Respectfully yours,
