TO BARBARA ON HER THIRTY SIXTH BIRTHDAY THIS DAY!

Happy Birthday, Barbara, Dear.

It's great to know in this new year,

You'll share your day with your own dad;

This is a privilege few folks had.

Our wish for you - and for him, too,

Is that he'll always share with you

Good health, and days of joy and peace;

May such good fortune never cease.

With your beloved family near

To give you love and hold you dear,

Enjoy your life and all you've had.

Best wishes, Barb!

Love,

Mom and Dad
