VICTORY DINNER USE "51." 8-10 FREEPORT STREET

Our leader MANY SPECTOR Etna, Pgh. 23, Pa., JUN 18 1951

and his associates are to be congratulated by all concerned for their fine achievement and faithful service to the causes.

The laymen, men women - young and old did an excellent job. Steady thanks is due to Dr Taylor and his staff of "51"

We officers and workers have plenty of worry with our own affairs had it not been for the inspiration from the office staff without their knowledge and service, we could not accomplish it.

THANKS to our vast number of contributors to the fund. OUR WORRY, - the 1/2 MILLION

It's in the pockets of the contributors who don't give. (selfish.)

הם יתנו לנו את המעט שלהם - וזהו כל מה שיש להם - וזהו כל מה שיש להם - וזהו כל מה שיש להם. THEIR MOTTO

The New Yorkers are proud of the 5th Ave Empire state building,
The Pittsburghers are proud of their 5th Ave Empire modest "MANY"

In conclusion will say, I'm proud to work with such distinguished group Harry

OUR 4 POINTS - FOR OUR PEOPLE - FOR OUR HOMELAND - FOR OUR CULTURE - FOR OUR INSTITUTIONS. Huel
