

Wednesday

My dear grandchild Ruth
At present you are my last
grandchild but not the
least, I welcome you to
our family, and hope we
shall be proud of you,
I hope you and your dear
brother shall get along like
brother & Sisters, not like
cats & dogs.

And if you will be good you
are always welcome to
visit us. And we shall show
you a good time, give my
best wishes to your dear father
and mother & Brother Joseph
