John R. Best  
Dear Mother:-

Arrived home this morning & found all the folks in good shape as Barrett Str. I want to take this occasion also in

renewing my congratulations upon your birthday anniversary. I hope you will be blessed with unending peace, good health & happiness & that we all shall live together for endless years, bound by the same ties of affection, which have kept us so in the past:-

With much love & wishing you are enjoying your visit, I remain,  
Your devoted son,  
John R. Best.

Look to Aunt & Uncle. Tell them I spoke to Mr. Mathew their lawyer & he will give them their stock certificates if they care. When they do tell Uncle to get his receipt which he received from the lawyer, before he comes. We look for you Tuesday night.
