Dear Barbara:

Grandmother and I received your very fine letter of the 27th and were very glad to hear from you and also were very proud that our ten year old Granddaughter was able to write such a nice letter. Your handwriting is very good and the letter itself is very nice and we appreciate your writing to us.

We also wish you and the balance of your family could be in Dallas with us as we enjoyed having you here Christmas and miss you very much all the time. Grandmother is always saying that she wishes she could go to Pittsburgh to see you.

We are getting along about as usual. Grandmother still goes riding every day and occasionally she goes out to dinner with me and one day this week went to a lunch at the Dallas Athletic Club given by one of her friends.

All of our family here are getting along nicely and we enjoy very much seeing our Grandchildren every day or so.

Write to us as often as you can. I do not promise that I will answer every letter but we do enjoy getting letters from you.

With much love and kisses for you, Susan, Richard,  
your Mother and Father, I am

Affectionately yours,

*Grandpa*
