IDENTIFICATION PROCEDURE

When cashing this check for the individual payee, you should require full identification and endorsement in your presence, as claims against endorsers may otherwise result.

Unless this check is presented for payment within one year beginning July 1, next, after date of issue (U.S. Code, Title 31, Section 725t), it should be sent by the owner direct to the Secretary of the Treasury with request for payment after settlement of account.

The payee should endorse below in ink or indelible pencil.

If the endorsement is made by mark (X) it must be witnessed by two persons who can write, giving their places of residence in full.

WAR PRODUCTION BOARD
WASHINGTON, D. C.

November 1, 1945

OFFICE OF THE CHAIRMAN

Dear Mr. Frank:

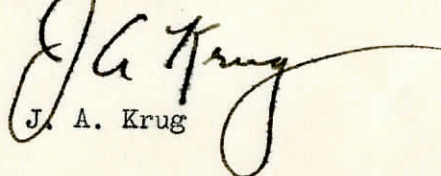

Attached is a token payment, based on \$1.00 per annum, for your services with the War Production Board during the fiscal year ending June 30, 1945.

The War Production Board will end on November 3, 1945, and the Civilian Production Administration, under Mr. J. D. Small, will take over what remains to be done on reconversion and the unwinding of the few remaining controls.

The Civilian Production Administration may need the continuing aid of some of the men who have generously made themselves available when needed in the past. I hope that you will hold yourself in readiness to give a helping hand if you are called upon.

Your able assistance in the work of the War Production Board is very much appreciated, and I want to thank you for the contribution you made to the successful prosecution of the war and to the laying of foundations for a prosperous post-war economy.

Sincerely,

J. A. Krug
