

TOAST BY MRS. A. LEO. WEIL

"A" stands for Abraham, the name we all love;
"J" stands for Judaism, inspired from above;
"S" stands for Sun, the first half of his name,
Radiating geniality upon all men the same;
Also for Stein, the second half; the rock
Of his principles, so firm, resisting all shock.
Taken together, they initial the man
We've gathered to honor the best way we can.
His example inspiring to all of us has been,
His modest self-effacement for years we have seen;
Content with the serving and the good he has done,
In our hearts and community high place he has won.
Then here's to Abe Sunstein, our gentle, kind friend,
May him God in His goodness 'gainst all ills defend.
