Miss Freda Lazier,
6313 Waldron Street,
Pittsburgh, Pa.

Dear Freda:

We want to join the rest in applauding you for last night's performance and to add that it is our opinion you will "go places" - but far.

May you have all the "breaks" in the world, continued success and remain always your charming self.

When you can spare the time, drop in. We may be able to talk over some ideas which might prove to be good for your progress.

Very truly yours,
KLIRTONE RECORDING
