

JOAN CRAWFORD

November 6, 1962

My dear Virginia,

Thank you so much for visiting me at Horne's Department Store while I was in Pittsburgh, and for bringing me the most delicious cheese cake I have ever had in my life. It was absolutely sensational, and I am so deeply grateful to you for giving it to me.

I am so sad that I was not in Pittsburgh long enough to have luncheon with you. I would have loved to talk with you. But I was working on an extremely rigid schedule, and had no time to call my own.

Bless you, and my warmest good wishes to you always.

A handwritten signature in blue ink, reading "Joan Crawford". The signature is written in a cursive style with a long, sweeping underline that extends across the width of the signature.
