NEW CASTLE CHAPTER
of HADASSAH

~~~~~

The trust placed in us by our people, who have survived the horrors of the past few years and have reached the Holy Land, Eretz Israel, has given your Donor Chairman the courage to continue in the work of H. M. O.

May I thank all of you—Friends and Members, for your generosity in this most urgent cause and especially the Donor Committee for their untiring efforts. Without their help this drive could not have been a success.

You, who have shared in this work, I know will find comfort and peace in the knowledge that your job was well done.

May we, the privileged, continue to be of service to those less fortunate.

MRS. JACK CONN,  
Donor Chairman.

And none shall make them afraid;
For the mouth of the Lord of hosts hath spoken.
For let all the peoples walk each one in the name of its God,
But we will walk in the name of the Lord our God forever and
ever.

In that day, saith the Lord, will I assemble her that halteth,
And I will gather her that is driven away,
And her that I have afflicted;
And I will make her that halted a remnant,
And her that was cast far off a mighty nation;
And the Lord shall reign over them in Mt. Zion from thence-
forth even forever.

On this 25th Anniversary Year

We pledge, reaffirm all the vows we hold dear

With effort united, we Jews will not fail

Refugees homeless, and tossed to and fro

E're seeking safety,—some place to go

Bearing anxiety, tortures and woe

HADASSAH, WE CARRY ON!

Our Zionist cause shall endure and survive

Despite current setbacks our homeland will thrive

No more wandering Jews o'er the vast earth to roam

We want no mere refuge, we want our own home

Prove to the world that we Jews can succeed

Make them take notice and to us pay heed

'Till each refugee and D. P. is freed

HADASSAH, WE CARRY ON!

(To the tune of Anniversary Song)

H. M. O.

H. M. O. provides Medical Defense. I. M. A.—Immigrant Medical Aid—Safe Guards for the Child and Emergency Supplies.

Hadassah is responsible for the administration of the entire I. M. A.

Hadassah has already rushed \$50,000 to Palestine after receiving an S. O. S., sent us by Haganah—The Vaad Leumi and Kupat Holim—to make ready medical defense needed in this emergency.

Emergency supplies are being sent to Palestine for the protection of the Jewish population. 5 Billion units of Penicillin have already been sent through to Palestine—being distributed to all medical institutions providing emergency aid.

Hadassah is also taking part in the Training of Personnel for first-aid and emergency services. Many teams of doctors and nurses are being prepared to be sent to outlying boundary settlements for medical protection.
