Temple Israel established in 1926 is the oldest Reform Temple in Northwestern Pennsylvania. Under the leadership of Marcus Feuchtwanger, (of revered memory), the congregation has grown from humble beginnings, until it can now boast of a strong and integrated membership. A succession of presidents: J. F. Perelman, A. H. Gonick, (of revered memory), Nathan J. Love, Abe Levine, and James Meyers, have consolidated these gains. Under the leadership of our present president, Mr. Alvin Shenkan, we are continuing our labors in the vineyards of Israel. Our Rabbi, Dr. Iwan J. Gruen, who is celebrating his tenth year as our spiritual leader, has achieved a wide reputation in furthering the cause of Liberal Judaism. An active Sisterhood, and a strong Mens Club continue to do their part in promoting religious, cultural, and social activities among the members. A youth group sponsored and aided by the members, give promise of a steady stream of life blood to keep our Temple growing. Too much praise can not be given to the rank and file of our members, for their efforts and contributions beyond their duty in bringing us to this, our Thirtieth Anniversary. We look back with pride at these accomplishments, and look to the future as an opportunity for continued service to Judaism, our religion, and Israel, our people.
