Rabbi A. H. Silver,
The Temple,
Cleveland, Ohio.

Dear Rabbi Silver:

The city of New Castle is still re-echoing with the words of your burning message, which has seared itself upon the minds and the hearts of the people. We feel sure that your prophetic utterance has materially strengthened Jewish Consciousness in New Castle and hope that the seeds you have planted will bear a rich harvest, pleasing to the God of Israel and of benefit to His People. Words fail us to adequately express our gratitude not only for the boon you have granted us, but also for the gracious and charming manner in which it was bestowed.

We feel that we can never repay you, surely not in dollars and cents, but we want you to have some little token of our heartfelt appreciation of your great kindness, and so we have taken the liberty of sending to your home a pair of SILVER candlesticks. May they ever radiate joy and happiness in your home---a just reward for the bright light and brilliant lustre you are shedding upon your fellow-Jews.

We again reiterate our boundless gratitude and assure you that we shall be glad of the opportunity to be of service to you.
