Mr. Marcus Feuchtwanger, President,
Temple Isreal Congregation
New Castle, Pa.

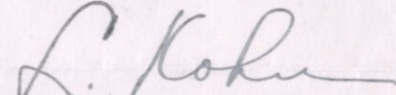

My dear Mr. Feuchtwanger:

I am in receipt of your very kind invitation for Mrs. Kohn and myself to represent the Beth Shalom Congregation at the Dedication Ceremonies and Banquet of the Temple Isreal.

I shall be very happy to attend, but do not know if Mrs. Kohn will be able to come with me. I have delayed this acknowledgement with the hope of giving you a definite answer, but at this time her coming is still uncertain.

In the name of the members and officers of the Beth Shalom Congregation I wish to thank you very kindly for the courtesy extended to us.

With sincerest best wishes

Pres. Beth Shalom Congregation.
