Dear Member,

You are hereby notified and advised that on the 28th day of July, 1957, a meeting of the membership of the Congregation Tree of life was held at the synagogue, at which time it was voted upon and passed that men and women of the Congregation may, if they so desire, sit side by side at all religious services.

Accordingly, it will be necessary for all members desiring to avail themselves to this new ruling to notify the Seating Committee of your desires on or before the 25th day of August 1957, in order that the Seating Committee may have sufficient time to make the proper readjustments in the seating arrangements as may be deemed necessary.

Kindly signify your intentions with respect to the new seating arrangements on the inclosed postal card.

Very truly yours,
The Seating Committee
