This is a listing of various features in our new Temple that are available to our members and friends for memorial purposes or for dedication to organizations or families. Our Temple expects to use the income derived from donations, where dedications have been arranged for, to help overcome our financial deficiency.

Memorial Tablet in the Main Vestibule  
New Hammond Organ  
12 Leaded Glass Windows  
6 Class Rooms  
Temple Office  
Rabbi's Study  
Holy Ark  
4 Pulpit Chairs  
Rostrum on the Pulpit  
Stage in the Social Hall  
2 Menorah Candelabras  
1 Eternal Light  
First 2 Rows in Main Auditorium

Every family should, if possible, arrange for some dedication. Once this work has been completed, these family names become a permanent part of the Temple, with no further opportunity for memorializing or honoring.
