The United Synagogue of America,
3080 Broadway,
New York 27, N.Y.

Attention: Mr. Samuel Ribner

Gentlemen:

Having become an affiliate of The United Synagogue of America and received our charter, we would like to arrange for formally presenting this charter to The Congregation within the next few weeks.

Would it be possible to secure one of your representatives for this occasion to present the charter at a Congregational meeting called for this purpose and to explain in detail what our affiliation means to us and how we may secure maximum benefits through the use of your various programs and facilities.

If this can be arranged, please inform us as to what action and preparation you expect us to take.

I am assuming that this would be handled by one of your regional associates and, if necessary, he may contact me at the address or phone shown below.

Your cooperation and assistance will be greatly appreciated.

Very truly,

Louis Goldman
for
Beth Israel Congregation
