S. O. S.!!!

A minimum of TEN adult male persons is required for holding public worship in the Synagogue. Only when there is a Minyan can the spirit of true holiness prevail at the services in our House of God.

Praying in the Synagogue, without a Minyan, is like trying to play a melody on a defective instrument.

Members and friends of the Tree of Life! New blood must be infused into the spiritual arteries of our sacred House of Prayer. Too often our services on weekday mornings cannot be completed, nor can the Kaddish be recited, or the Torah read, because of the lack of the required quorum. Time and again NINE worshippers gaze prayerfully and anxiously at the Synagogue door, hoping that the Minyan will be completed before the removal of the Tallisim and Tfilin.

The Minyan is the fortress and the very life-blood of a Torah True Congregation. Through the Minyan, Jews throughout the ages, have drawn courage, hope and renewed vitality, for their daily needs. Each of us ought to feel personally responsible for the perpetuation and continuation of the Minyan.

Rekindle the Jewish sparks in your hearts. Enjoy your heritage. By attending services faithfully, you will maintain the Synagogue as a vital force. Furthermore, you will enrich your own lives, through daily soul-searching reflection and meditation.

Israel is eternal! The Synagogue has kept Israel! Let us honor the Synagogue by joining in worship.

We appeal to all our loyal members and friends to SET ASIDE 30 OF THE 1440 MINUTES allotted to us daily for attendance at services.
