

TO THE MEMBERS OF THE LADIES' AUXILIARY OF THE TREE OF LIFE  
SYNAGOGUE

We, the members of the Tree of Life School Board, have assumed a large responsibility in getting the Hebrew and Sunday schools to function properly.

In analyzing the material and equipment, which we possess in our schools, we find that we are shockingly lacking in everything that is needed to have a school function properly.

We are willing and are going to contribute materially and physically towards the rebuilding of our schools, but it takes more than that; it takes some money and that we don't have.

Therefore, we appeal to you, the members of the Auxiliary to contribute to us the sum of \$100.00, which will enable us to go on with our work.

Believe us to be sincere, we are
