Dear Member:

The regular SEMI-ANNUAL meeting of the Congregation Tree of Life will be held at the Synagogue on MONDAY, May 16, 1960, at EIGHT (8) p.m. In addition to the regular business, a proposal to amend the Constitution of the Synagogue will be submitted for the appropriate action of the Congregation.

Article 11, Sec. 1. of the present Constitution reads as follows: "The organization and maintenance of a Synagogue for divine worship according to the Orthodox Jewish faith." The proposed amendment to the Constitution substitutes the word "CONSERVATIVE" for the word "Orthodox", thus changing the wording of said section to read as follows: "The organization and maintenance of a Synagogue for divine worship according to the Conservative Jewish faith."

Other matters pertaining to the Synagogue and Congregation will be on the agenda.

It is self evident that this is a very important meeting and that your presence is urgently needed.

Very truly yours,
Myron Kirshner, Pres.
