Ohav Sholom Congregation

Donora, Pa.

Dear members -

The members of the Ohav Sholom Sisterhood have voted to purchase a new commercial gas range for the synagogue kitchen. Two bids have been received and with the permission of the Congregation, the Sisterhood will accept the lowest bid from the Ralph Underwood Co.

It is also the Sisterhood's request that the Congregation supervise the installation of the new range and the ^{dis-}~~position~~ ^{possession} of the old range.

The hope that our plans will meet with your approval -

Sincerely,

Mrs. I. Ferraro Weiss,
Pres.

Chas. Scholten Sisterhood
