

UNIONTOWN CHAPTER OF HADASSAH

UNIONTOWN, PA.

October 1975

Dear Friend:

WHY I AM NOT A MEMBER OF HADASSAH!

- a. I belong to too many organizations already
- b. If I join one, I have to join all of them
- c. I will not join if I cannot be an active member
- d. I do not have the time to become an active member
- e. I work and am too tired to attend meetings
- f. In the past I have been offended by a Hadassah member

Many other reasons could be stated here, and in the past were valid for your not belonging to Hadassah. Present-day events that are taking place in Israel and around the world, however, make all these excuses invalid.

A solid front is needed today--not only for the small funds that we raise by our membership dues, but for giving moral support and backing to the people of Israel who stand alone in their fight for survival. We must join together to demonstrate our solidarity. So please, when you are approached to join, respond with a resounding, "YES."

Our annual dues are only ten dollars. Ninety-six per cent of all money raised goes to our projects (the largest percentage of any organization in the country). The subscription that you will receive to THE HADASSAH MAGAZINE, our monthly publication, alone is worth the price. We have seventy-five members in the Uniontown Area. Please let us add your name to our list.

Cordially,

Rosalie Opall
President
