Treasurer

Members and Friends of Hadassah.

It Will Make You Happy To Know that you are making it possible for some refugee man, woman, or child, who is at this moment setting foot in Palestine after years of suffering in concentration camps, to go immediately to a bright, clean hospital to recuperate his strength among the most modern surroundings with tender and thoughtful nurses at his side, plenty of hot, nourishing food on his tray and new-found hope in his heart.

It Will Make You Happy To Know that Hadassah is the chief health institution in Palestine. It has also just become the administrative head of the Immigrant Health Department of the Jewish Agency. As such, our doctors and nurses are responsible for routing through all refugees to the hospitals where they must go to recover their broken lives and health, and thus become part of the great Upbuilding which is making the land a true Homeland for them.

It Will Make You Happy To Know that through your presence here tonight, you are assuring medical care, food, health, recreation things indispensable for a new life for some Jewish child or adult who is now **Home**, at last, among his own people. This joy is yours tonight, because you are providing all these things for our shattered, broken brethren who have at last found new life and refuge in Eretz Yisrael through Hadassah.

Sincerely,

Your Donor Committee.

STAR SPANGLED BANNER

Oh, say can you see
By the dawn's early light,
What so proudly we hailed
At the twilight's last gleaming;
Whose broad stripes and bright stars
Through the perilous fight
O'er the ramparts we watched
Were so gallantly streaming.
And the rockets' red glare,
The bombs bursting in air
Gave proof through the night
That our flag was still there;
Oh, say does that Star Spangled Banner yet wave
O'er the land of the free
And the home of the brave.
