Dear Mr. Margolis

The Hillel Foundation of West Virginia University is hereby making application for the Masontown Congregation for the donation of 80 chairs, the Ark and whatever else you can donate to us to help complete our chapel.

As you no doubt know Hillel tries to be a home away from home for the Jewish Students on the campus. We try to give the Jewish Students three things, Religion Culture, Social Activity besides which we are working for the Brotherman of Man. When we get the Chapel finished we shall have all of the building completely in use.

If you can see your way clear to help us with any of the above, it will be very much appreciated by Hillel and the B'nai B'rith and the Jewish students on the campus both present and future.

Very truly yours

Max Levine
