HEBREW LADIES' AID SOCIETY

BROWNSVILLE, PA.

*33rd Annual Banquet*

SUNDAY, FEBRUARY 13, 1949

## MESSAGE BY RABBI I. PRINTZ

OF CONGREGATION O'HAVE ISRAEL

Greetings:

I wish to extend herewith my heartiest and most sincere felicitations to the Hebrew Ladies Aid Society, of Brownsville, Pa., to the occasion of their celebration of over a third of a century of sacred work for Israel and humanity.

Thirty-three years of continuous unselfish work, in harmony, peace and tranquility, for the betterment of Judaism and society, is a record of which any organization may justifiably be proud of.

You, Officers and members of H. L. A. S., are now approaching a period in the life of your organization, when alertness and great vigilance is most essential, to ward off apathy and indifference that may creep in because of many years of service.

It is, therefore, my ardent wish and fervent hope, that as you look with pride upon your past achievements, so may you with even greater vigor direct your thoughts, to activities that are now—and will no doubt in the coming years confront you.

May God bless you. May He grant you long life, health and happiness. May He help you to carry on your good endeavors for Torah, Israel and Humanity. Amen.
