I. O. B. B. NOTES.

The institution of Ellwood City Lodge No. 638, at Ellwood City, last Sunday was a successful affair. Twenty members from Pittsburg and vicinity and a like number from New Castle were in attendance. This lodge starts off with a membership of twenty.

Donora, Pa., will soon be in line with an application for a lodge at that place.

The election in the subordinate lodges takes place at the last meeting in June.

An application has been received by the President of the District for a lodge at Charleroi, Pa., which will be instituted shortly. This lodge is formed through the efforts of Brother Henry Schoenthal, one of the District Deputies.

Great propaganda work is going on in the entire District.

Joshua Lodge, of Philadelphia, will celebrate its twenty-third anniversary on October 26th. The members are looking forward to a memorable event.

Brother M. S. Meyerhoff, ably assisted by Brother Abe Weil and others, have taken up the propaganda work at Philadelphia. They are showing by their efforts that better men could not have been selected for the work.

At Trenton, N. J., last Sunday there were present at the meeting of that lodge, President of the district A. L. Solomon, First Vice-President L. R. Geisenberger, Second Vice-President B. F. Pollak, Brother Jacob Singer, member of the Executive Committee of the Constitution Grand Lodge; Sergeant-at-Arms of the District Isadore Reizenstein, Brother M. S. Meyerhoff, Treasurer of the District; Brothers Jay, Kun, Naar, Plattowsky and Wieder, members of the General Committee. A large class was initiated. The orator of the evening was Brother Jacob Singer, who made one of the most masterly addresses ever delivered before an assembly of the I. O. B. B. Over 200 members of the Order were in attendance.

Jericho Lodge will hold its next meeting in their new hall in the Century building, Seventh street, Sunday morning, June 14th.

Great June Sale Next Tuesday

This previous announcement is given so that the readers of THE CRITERION will be acquainted with the facts, and be ready to anticipate Monday afternoon's news, regarding a June sale to be held next Tuesday.

It will be a varied sale, in which Summer wearables, both for men and women, boys and girls, will be a prominent feature.— Other features will be various things both for the home and the person.

Of course a sale means, here, best goods at lower prices than are usually quoted.

For details, see our news in Monday afternoon's papers.

—An "ad" in The Jewish Criterion never fails to "make good."
