## Cantor Joseph Morganstern to Sing for Benefit of Townsend Street Talmud Torah

Cantor Joseph Morganstern, for many years Chief Cantor of Vienna, Austria, and now on a concert tour of this country, will sing in this city for the benefit of the Townsend Street Talmud Torah.

The ability of Cantor Morganstern to sing Hebrew Hymns is known to the residents of this city, as he delivered the Shevuoth Services at the Beth Hamedrosh Hagodal, where large crowds were surprised at the beauty of the Cantor's voice.

The Cantor will conduct the services Friday evening, July 13th, Saturday, July 14th, and a special concert Sunday, July 15th, at the Robert Street Roumanian Synagogue, 79 Robert Street. The committee in charge is working earnestly to make this concert a success, as the receipts will be turned over to the mortgage fund of the Talmud Torah.

The tickets are on sale at Hirsch's Book Store, Center Avenue; Goldman & Wolf Music Shoppe, 1621 Center Avenue; Reichbaum's Restaurant, 1321 Fifth Avenue, and Canter's Restaurant, 624 Penn Avenue. Tickets can also be had from the sexton of the Robert Street Synagogue. Tickets for the Friday and Saturday services are \$1.00 and tickets for the Sunday concert are fifty cents.

It is the hope of the committee in charge that the Jews of this city will avail themselves of this opportunity to hear one of the world's most famous Cantors and at the same time aid one of Pittsburgh Jewry's most worthy institutions—the Talmud Torah.

While in this city Cantor Morganstern will be the house guest of Mr. and Mrs. Louis Hendel, of Baywood Street.

## JEWISH MERCHANT, WIFE AND DAUGHTER FOUND BURIED

London, June 21 (J. T. A.)—A tremendous sensation has been caused by the discovery by the police of the bodies of Herr Andrew Lachman, his wife and daughter, buried in the garden of their country villa just outside Bucharest, the Vienna correspondent of the "Northern Whig," of Belfast, reports.

Lachman was a very wealthy merchant with business connections in England and America. His wife was a very beautiful woman, and his daughter had many admirers. The family are supposed to be the victims of an anti-Semitic crime.

A remarkable part of this tragedy is that no word has been received from Bucharest direct.

### TREAL JEWS BOLSHEVIKI

Montreal, June 21 (J. T. A.)—Sixty per cent. of Montreal Jews are Bolshevists, Mrs. J. C. Thompson, a missionary who addressed a church gathering here, declared today.

Moreover, even the Jewish schools teach unbelief in God, government and authority, the missionary asserted, unchallenged.

## Rabbi Knighted by Great Britain

London, June 30 (J. T. A.)—A rabbi, Professor Herman Gollancz, has been knighted by the British government. This is the first time in the history of Great Britain that such an honor has been accorded a Jewish clergyman.

Rabbi Gollancz is a brother of Sir Israel Gollancz, the noted Shakespearean scholar, who is now visiting America.

The British government at the same time conferred the privileges of Knighthood on David Davis, the Lord Mayor of Birmingham.

There will be free amusement tickets for the kiddies and a baseball game between the married and single men in the afternoon. The general public is invited to attend.

**Kosmox Klub, McKeesport, Pa.**—The club will hold a private cabaret and dance for members and friends at the Flower Garden, Long Run Road, Tuesday, July Tenth. The affair promises to be one of the most delightful ever held by the club. The music will be furnished by a famous collegiate orchestra. Some of the features of this affair will be the presentation of gold charms to each member of the club and the announcement of the club's annual "summer gambol."

The committee in charge for the summer season includes: Abe J. Rosenbleet, Theodore R. Goldberg, Sol Harris, Sidney Mermelstein.

**Tarentum, Pa.**—Mrs. Frank Jaffe and Mrs. Joseph Rosen entertained the members of the Hebrew Ladies' Auxiliary in the former's home in East Eighth Avenue. Reports of the various committees for the gingham dress dance, held in the Chamber of Commerce rooms, showed that over a hundred dollars was realized. Plans were made for a picnic, which will be held July Twenty-second at Lenkner's Grove. The shrine for the new Jewish synagogue was selected. During a pleasant social hour the hostesses served a tray lunch. The place of the July meeting was not decided.

**Greensburg, Pa.**—Plans have all been completed for the mid-summer dance, to be held by the Greensburg Section C. J. W. next Wednesday evening, July Eleventh, at Oakford Park. The committee, composed of Mrs. Morris Cohen, Chairman; Mrs. Ben Harris, Mrs. Lena Schein, Mrs. Chas. Pross and Mrs. Benj. Ratner, are leaving nothing undone to make this affair one of the most successful events given by the organization. The proceeds will be devoted to necessary improvements at the B'nai Israel Cemetery on West Newton Road. Quite a few novelties will be introduced. The neighboring communities of Irwin, Jeannette, Latrobe, Mt. Pleasant and Scottsdale have signified their intention to attend and it is expected that quite a goodly sum will be realized. Dancing will be from 8 to 12.

**Ellwood City.**—A regular monthly meeting of the Chapter of Hadassah was held July Second at the Tree of Life Synagogue. Mrs. H. Odle presided. The name of this chapter was changed to Ellwood-Wampum Chapter of Hadassah. A recess was called until September Third, at which meeting Mrs. M. Edelman and Mrs. N. Feldman will be joint hostesses. An out-door festival will be held in the near future, details to be announced later. The milk bottle bags were collected and the sum gathered at this meeting was \$27.60.

Hostesses were, Mrs. H. Caplan and Mrs. B. Cohen. The collection made from the lunch was \$1.95, which was given towards the supplies fund.

Reports were heard from the various outstanding committees. The chairman of the supplies fund reported that the packet shower held last Tuesday evening netted over 75 packets containing towel, wash cloth and soap. The evening was spent with cards and a most delightful musical programme was also arranged. Mrs. Louis Kohn, of New Castle, reported regarding the Baltimore Convention.

## Pure Food Clinic Now Open for Business in Center Avenue

Increased sales and a wider acquaintance with the health-seeking public of East Liberty and surrounding communities, marked the first week's opening of Pure Food Clinic, 6026 Center Avenue, in charge of Dr. J. H. Mahoney. The establishment, a new venture in this section, features the sale of whole grain wheat and other foods which, through a specially patented process of cooking contain 100 per cent. of their food strength. Dr. Mahoney, authorized distributor of whole grain wheat and kindred products in Pittsburgh, is highly pleased with the response of the people.

The storeroom in which the Pure Food Clinic is located, has been entirely renovated and improved, and presents a cozy and an attractive appearance. There, displayed on scores of shelves, are the 100 per cent. food value products that have been proven superior health foods by most stringent tests.

Dr. Mahoney is always glad to greet old and new clients at the Pure Food Clinic.

## NEW CONSOLE CHENEY

Goldman & Wolf, Uptown's leading music shoppe, 1621 Center Avenue, opposite Miller Street, wish to call your attention to the new Salisbury Table Model Cheney at \$200. Gold plated, equipped with spring motor, counter-balance cover supports steel and jewel needles and two reproducers for playing all records. Albums. The Salisbury, a lovely adaptation from the work of Sheraton and Shearer, comes in Mahogany and Walnut dual tone.

The Cheney—the master instrument—presents an exceptional value. Before you buy, hear, and see the Salisbury. Like all Cheney Phonographs, the Salisbury has that unusually pure, sweet quality of tone which distinguishes the "Master Instrument" from all other phonographs. Only in the vibrant wood chambers of the wonderful Cheney acoustic system can such vitality and reality of tone be developed. In design and finish the Salisbury model marks a distinct advance in the artistic treatment of phonograph cabinets. A rich two-tone effect has been obtained and the model is further enhanced with walnut applique on a background of satiny oak. Yet the beauty of simplicity and the pure grace of line characteristic of the old English style on which this model is based, remain unaltered.

At the price of \$200, this new Cheney Table presents much more than ordinary value; the note of quality is emphasized even in the smallest details—gold plated metal parts, automatic stop, and de luxe record albums. The Salisbury is more than a "phonograph," it is a musical instrument of rare value. "The longer you play it, the sweeter it grows."
