**M. S. "Batory" Arrived in
New York**

The new motorliner M. S. "Batory" came in New York after a pleasant trip with many prominent passengers. Among them Dr. Artur Rodzinski and wife, conductor with the New York Philharmonic Symphony Orchestra and many diplomats of the various Consular services.

There were also on board a Polish Motion Picture cast which has come to finish a scenario in New York.

Jewish passengers were very much pleased with the facilities on the boat allowing them to observe the important Jewish holidays, as if at home. The Jewish personnel and the excellent Kosher Kitchen served by Jewish stewards, show how much the Line is endeavoring to please its Jewish traveling public.

The next sailings of the Gdynia-America Line's steamers are: October 6 and 18; November 5 and 29; December 13.

**South Africa Gets First
