

55TH  
ANNIVERSARY  
REDEDICATION

TIPHERETH ISRAEL  
SYNAGOGUE  
112 CONEWANGO AVE.  
WARREN, PA.

SUNDAY  
FEBRUARY 18TH, 1973  
2:30 P.M.

Rabbi Phillip Fried is truly a multilingual, many faceted travelling clergyman. The communities of Titusville, Franklin and Clarion (to name a few) are directly served by this rare and unusual man.

In addition to his rabbinical duties in the TREE OF LIFE SYNAGOGUE in Oil City, the demand for his talents in religious direction, education and broadcasting throughout the area of northwestern Pennsylvania is great.

He began his studies in his native Isreal and then came to the United States to graduate from Gratz Dropsy College in Philadelphia and finally to become ordained after attending the Hebrew Theological Seminary in New York.

The Rabbi is well-known for his inter-faith talks that stress an understanding of each person's religious convictions as well as he is known for his contributions to Judaic interpretations and comments in both print and on the radio.
