

*United Jewish Community Center
20th Anniversary*

TO OUR MANY FRIENDS

We wish to express our sincere appreciation to our many neighbors, friends, and colleagues for the enthusiastic support and many good wishes which have been tendered us on the occasion of the Twentieth Anniversary of the United Jewish Community Center.

This compilation of congratulations, as we are about to burn the mortgage, is a heartwarming testimonial of the good will which the Center has earned in the Beaver Valley since its inception.

The United Jewish Community would like to take this opportunity to reaffirm its aims to further the development of spiritual values in the Beaver Valley and to continue to strive to be of service to the community in a very positive and constructive way.

We thank all our supporters and pledge our continued patronage to all.

Yesterday's dream has become today's reality!
 The U. J. C. has brought about a unique and gratifying housing of Agudath Achimand Beth El Congregations. Within these walls we have succeeded in bringing religious, educational, cultural and social events to the Valley for our members and the community at large. We hope to continue in these endeavors for the next one hundred years.

October 4, 1904 a charter was secured for the Agudath Achim Congregation, and in 1914 the Synagogue was completed on Fifth Avenue and Sixth Street, thus was laid the foundation for a Communal, Religious, and Cultural Center for Beaver Falls and the surrounding Jewry.

Twenty years ago the Congregation voted to move to the U. J. C. Center and it is with great pleasure I congratulate the Center on this achievement.

Since the U. J. C. Center was built twenty years ago, the Beth Sholom Congregation has used the small Chapel where services are held the third Friday of the month. The Chapel was completely furnished by contributions of members of the Congregation. Rabbi Meir Lasker, retired Rabbi of Elkins Park Temple, Philadelphia, who conducted the High Holy Days Services in 1977, will return again this year with the choir.

Beth Sholom congratulates the United Jewish Community Center on it's twentieth birthday.

After the founding of the Beaver Valley B'nai B'rith Men's Organization in 1921, the Aleph Zadik Alephs came into view. In 1929 the Beaver Valley Chapter of A. Z. A. was started. Founded nationally by Anita Pearlman, B'nai B'rith Girls began the Beaver Valley Chapter in 1941. Their first president was Rose Blinn Caplan. Since then the B'nai B'rith Youth Organization has become an instrumental part of our community.

"You shall teach diligently

The word of God to your children"

When You Wish Upon A Star....

When your heart is in your dream,
No request is too extreme.
When you wish upon a star
Your dreams come true...

When we wished to have a place,
To worship and to congregate,
To share our joys and celebrate,
It all came true....

It was more than just a dream,
It couldn't be done with just a team.
To realize our heart's desire,
It needed you !

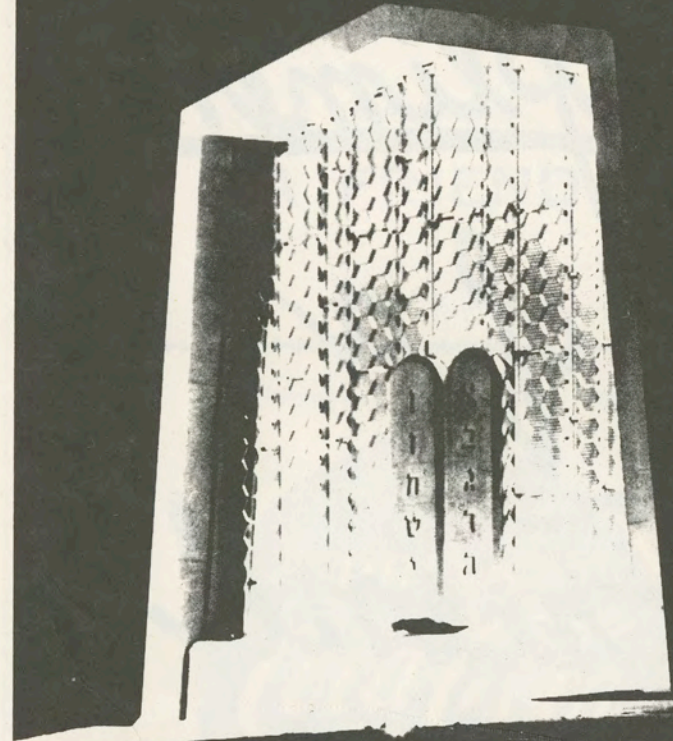

Dreams can come true, when there is
unity.
Today this Center serves the whole
community.

This anniversary deserves our cheers.
We've enjoyed the Center for 20 years.
Let's drink a toast to future years,
It still needs you !

BEHOLD, HOW GOOD AND HOW
PLEASANT IT IS FOR BRETHREN
TO DWELL TOGETHER IN UNITY!
