Dear Member:

The time has finally come when we must make the decision about what to do with the BUILDING!!! It is of utmost urgency that ALL of the local members who shall have a vote and voice on this issue come together to help make this decision. The reason for the urgency is due to the fact that there is someone interested in buying NOW! If we wait, it may be more difficult to find another buyer.

Therefore, the evening of Tuesday, January 16th - 8:00 P.M. we can meet at the Shule and further discuss this and, if agreeable, resolve this matter. I now urge you to set aside this evening to hold this meeting as a 100% group. If you do NOT attend, it will mean that you will be in accord with the majority vote. No price has been established (this also is to be resolved) --- the only decision at present is the point of "selling".

Very truly yours,

Saul M. Sigal, Sec.
