

EAST LIVERPOOL ISRAELI DAY COMMITTEE

April 21, 1949

Dear Friend:

You and the members of your organization are invited to attend a Victory Celebration on Wednesday, May 4, 1949, at the East Liverpool Memorial Auditorium, at 8:30 p.m., honoring the first anniversary of the State of Israel.

This young democratic state, born out of wartime strife, and realizing the hopes of Jews throughout the world for the past two thousand years, has fully convinced the world that it can rightfully take its place among the family of nations.

To help celebrate this occasion, we have secured two speakers, who are no strangers to you, and we know you will enjoy their timely topics.

1. Ray Sprigle, famous reporter, author, and Pulitzer prize winner, and now reporter for the Pittsburgh Post-Gazette.
2. Milton Sussman, prominent Pittsburgh attorney, lecturer, and author.

Anticipating the pleasure of the attendance of as many of your organization as can attend, and hoping to greet each of you, we are

Sincerely,

The East Liverpool  
Israeli Day Committee

P. S. There will be no admission charge, no solicitation, no good-will offering.
