

February 4, 1970

The meeting was called to order by President Hoffman at 8:30 P.M.

Report was made on the raffle held in December and applause was given to Brother Berger for the splendid job on the <sup>A. J. Daniels</sup> scholarship fund raffle. Commendation was given to Brothers Charles Daniels and Don Enas for their fine help in Connelville in selling tickets for the A. J. Daniels Memorial Fund Scholarship.

It was recommended that Brother Henry Abramson take a survey to see how the membership would respond to making personal loans to the Bnai Bith, by purchasing certificates, redeemable at any time, these proceeds to bring in sufficient revenue to pay the scholarship fund and eventually redeem all certificates. In this way the fund would be self sufficient and no other fund raising events for it would be necessary. Brother Abramson kindly accepted to make the survey.

Since Dues of \$21<sup>00</sup> at present, only covers the grand lodge membership <sup>(13<sup>00</sup>)</sup> plus our \$8<sup>00</sup> package plan the lodge has nothing left to carry on its business. It was, therefore, decided to hold a card party in April, with Brother Berger having charge of ticket selling to raise funds for lodge expenses for the year. Brother Feldman & President Hoffman to help with details.

World situation in Israel and elsewhere was discussed by the members.
