On behalf of myself, the other officers, and members of the C'ville Community Jewish Center, I would like to wish you a belated welcome to our area.

As you may or may not know, our Jewish Community here in C'ville does not maintain a full time religious program. Most of our families are also members of synagogues or temples located in U'ntown, Mt. Pleasant, or <sup>the</sup> Greensburg area. However, we have been able to maintain a reasonably inexpensive Jewish Community Center with our facilities located at the synagogue in C'ville.

Our community activities have been diversified and include both social, religious, and cultural endeavors. We have found that this approach has resulted in a greater rapport within our Jewish community and has promoted a better understanding with our non-Jewish friends. Our "brotherhood" programs have been most enjoyable, educational, and highly successful.

We would like, therefore, to have you as a part of our community ~~and~~ program, and cordially invite you to become members of our center. We feel that not only would you find this a most pleasant experience, but also that you would make a substantial contribution to our group.

If you are in any way even remotely interested, please call Mr. Bernard Barron, <sup>President</sup> 628-5576 as he would very much like to discuss this with you.

Best personal regards,

cl/ BERNARD BARRON
