Dear Mr and Mrs DeRoy:

While I know that Temple has formally written to you to welcome you as a new member, let me also add my welcome. Rodef Shalom Congregation is a unique and wonderful institution. It offers countless ways to become involved and to express your Jewish commitments.

Temple provides the largest Adult Education offerings in the Jewish community, unrivaled cultural programs, and a variety of worship opportunities. If there is something you would like to see at Temple that we are not already providing, please let me know. We are always looking to expand our programming.

Best wishes for a healthy and happy new year. With warm regards,

Sincerely,

Mark N. Staitman
