1. 11 acres @ 1000.

Curry Hollow Road off Lebanon Church Rd. Opp. the airport in W. Mifflin Bobo. This ground is too steep to be of use. Excavation required would negate the cost of the land. Approx. half of the land lies in an almost useless ravine.

2. 3.8 acres for \$10,000.

Gill Hall Rd. at Old Clairton Rd.

600 Ft. along the road x 300 ft deep. Slopes gently up from the road for approx. 150 ft. then rises more sharply. 85% usefull land. Length along the road should facilitate parking. Est. 5000 sq. ft. bldg. would require 1500 cu. yds. of excavation. only minor levelling required for lot. This will be investigated further.
