Sisterhood President's Message

I am sincerely gratified to have been selected by the women of Sisterhood to lead them again through our second year. As I recall each successful project and activity that we have undertaken during our first year, the names of many women come to my mind as being responsible for initiating the ideas and carrying them through from beginning to end. To all these members of Sisterhood I say "Thank You." With each successful project this organization has taken on greater stature. Each member has contributed in some way to our many achievements.

As their first service to the Center, Sisterhood women made the arrangements for professional sitters and sufficient snacks for the nursery children during High Holyday services. Sisterhood women also arranged for Succos and Simchas Torah celebrations in cooperation with the Sunday School and Ritual Committee. For Chanukah the children of the Sunday School received an appropriate treat. Sisterhood provided food for the Sunday School's inspirational Model Seder.

A library for children and adults was established as a result of a Sisterhood Book Sale. Arrangements for Oneg Shabbats after Friday Night Services were handled by Sisterhood women. The Covered Dish Purim Dinner was also a project of the Sisterhood this year. Whenever possible they enriched and assisted Center activities.

In addition, regular monthly meetings were enriching and educational. Book reviews, Chanukah Workshop, Passover Cookery, and Israel Singing were topics of some of the meetings. In addition, Cantor Haalman was a guest speaker as were Mrs. Berman and Mrs. Abrams of B'nai Israel Sisterhood and Mrs. Friedberg of the Jewish Community Relations Council.

Jewish articles for the home were sold at regular meetings along with books of Jewish content. As a group the women attended and enjoyed the Pittsburgh Playhouse production of "Tevya and His Daughters". Center children and their friends enjoyed "Jack and the Beanstalk" at the Playhouse through the efforts of the Sisterhood. Two types of Beth Israel greeting cards were established — one called "Beth Israel Centergram" and the other a formal donation card.

When a need was recognized in the South Hills to develop leisure-time activities for teenagers, a Sisterhood representative assisted in the planning of it. Sisterhood women assisted Cantor Haalman and Dr. Weiss in the Demonstration Seder for the Women's Association of the Pleasant Hills Community Presbyterian Church.

These are the many accomplishments of Beth Israel Center Sisterhood.

As president of this group of women I am happy to observe that in the brief months of our existence we have learned to function as a positive group. With every effort that we extend we know each one of us will benefit. We have all found satisfaction in joint effort for something we hold dear to us, and that is a Jewish center in our own community. Sisterhood membership is open to any woman interested in our activities and goals. With increased membership, we look forward to continuing activity and success in the coming years.

(Mrs. James) Estelle Weissburg
President
