Dear Mrs. Grossman,

On behalf of the Board of Directors of Beth Israel Center we wish to thank the Sisterhood and the Staff of the Beth Israel Center Library, under Mrs. Markowitz, for the time and effort put forth toward the maintaining and the growth of our library. Much has been done to stimulate the youth of our Center toward their using this facility during the school year.

Your devotion and care of this facet of the education of all members of Beth Israel Center young and "old" has played an important role in our Jewish community.

Again, please accept our thanks for another Sisterhood undertaking well done.

Cordially,

Stan Glickstein
Dr. Stanley Glickstein
