

## Dedication of Sefer Torah.

A Sefer Torah, the gift of the Messrs. Friedberg, in the memory of their departed mother, was dedicated with appropriate ceremonies at the Anshe Syniear Synagogue, Fulton and Clark streets. Over a thousand persons were present to witness the exercises.

The opening address was made by Rabbi Katzen, followed by Rabbi A. M. Ashinsky. Jacob H. Aronson, Esq., also delivered a very eloquent speech, which was deeply appreciated by all present. He gave a historical resume of the Torah. Prayers were offered by Rev. Aaron H. Chaimovitz, the newly-elected Chazan, assisted by the choir.

The officers of this congregation are: President, Joseph Sanes; Vice President, I. Levinson; Secretary, I. Rogolsky.

The presiding officer at the dedicatory exercises was the first trustee, Mr. Samuel Harris.

This is one of the newest congregations, having been just organized, and will undoubtedly have a very successful career.
