

At a general meeting of the
Gusky Orphanage Home
AND
OF
Western Pennsylvania,

held on May 21st, 1899, the
following minute was unanimously adopted:

By the death of

B. N. Jacobs

the community has lost a high minded and
honorable citizen; his family a devoted

husband and father; the

Gusky Orphanage and Home

a most useful and honored member.

is great heart at all times
beat in loving sympathy
with those about him, and,
especially in times of trouble or distress,
no sacrifice for the help or comfort of
a friend was too great for his generous nature.

Ever courteous, ever kindly, he has
left behind him no recollection of aught
but what is sweet, wholesome and pleasant.

To have lived such a life and to have
left such a record is surely not to have
lived in vain.

To his beloved wife and
children we tender our
profoundest sympathy
in their bereavement. They may
well be proud of his memory, and
the thought of his good deeds must be
a solace and a comfort to them in this hour.
