

Dear Jay - Thinking of you this A.M. -
While watching Apollo 11 launched
on my wonderful color T.V. (G.E.
portable 14") birthday gift
from the Apts - Loefflers. June 30 -
Hed keeps me posted on you -
he usually phones Sunday
evening 3 - Bob Loeffler stopped in
Fresno last week when he went
to L.A. Know it was a great
treat for Hed. Bob reports he is
greatly impressed with the project.
in Fresno -

I plan to go to Minneapolis
about August 15. Karen and Robert
leave for Camp this week-end and
I want to be there when they
return -

This is the first Summer
in a long time that I've been
in Philad but as we were all together
in June - decided to wait until
later to join the Loefflers -
Hed said you would go to Denver
and later to Fresno - Mother + Judy
also.

There are 2 large pools bet^{een}
the 2 apartment buildings - Very
pleasant and sociable and I
spend every afternoon there - weather
permitting -

Delighted that you are so
pleased with your work - How
about housekeeping?

If you can find a wee
moment to write - that would
be a real joy for me -

Much love

Grandma Sadie.

Wednesday.
