Dear Mom + Dad

I received matt's picture today
from school. It's a typical pose
for him when you ask him to close
his mouth - the smile pose is
equally as funny - I hope it
cheers you up some - I know how
difficult things have been and
whenever I think of how badly you
feel ma - I feel badly too. All
I know to do is hope + pray you get
well soon - I love you

Lenny
