Att: to the President:

Dear Sir:

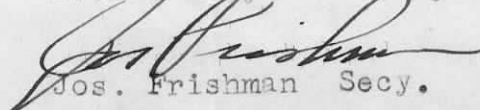

The Lechem Aniyum Society (Bread for the Poor) desires your permission to permit a member of our cemetery committee to be present at the synagogue cemetery on Slichoth Sunday to solicit funds for our organization.

Our need for funds is greater this year than in previous years. We have many new cases coming in each week to receive baskets of food. We distribute food every Thursday throughout the year to needy families.

Hoping to receive permission as we have in the past and for your kindness to our organization and wishing the officers, directors, and members a Happy, Healthy New Year.

Sincerely,

Lechem Aniyum Society

Jos. Frishman Secy.
