
Hill Top Jewish Community

Heretofore, the people of the Hill Top had to go to various parts of the city for the Holidays. Now, for the first time in the history of Hill Top Jewry, Holiday services were successfully conducted under the supervision of the Hill Top Jewish Brotherhood.

Sunday School opened October 9th with an enrollment of 42 children.

A regular meeting of the Hill Top Jewish Community Club will be held Sunday evening, October 16th, at 8 o'clock, at Weil's Hall, 239 Climax Street. All members, and those desirous of becoming members of this organization, are requested to please attend.
