
Yehoash Folk-Shul

The Yehoash Folk-Shul Organization announces its schools will re-open Sunday, September 18, at 11 A. M. School No. 1 is located at the Irene Kaufman Settlement, 1835 Centre Avenue; School No. 2 is located at 1909 Murray Avenue.

These schools offer the following subjects: Yiddish, Hebrew, Jewish history, and literature, social problems of Jewish life and a general knowledge of Jewish life—past and present. Mittle shule (high school), which is also located at 1909 Murray Avenue offers advanced courses in history, literature and social problems. High school children who have not graduated from an elementary Yiddish shule but who can speak Yiddish are also accepted in the mittle shule.

Those parents who are interested should register their children immediately. All are invited to visit these classes.
