Best Wishes on Your 33rd Anniversary

BLOOM BROTHERS

Greetings

By I. KATZ, President Chofetz Chaim Congregation

On the occasion of the 33rd Anniversary of the Chofetz Chaim Congregation I want to greet all our members and friends, men and women. We hope that we shall all live to celebrate many more anniversaries in health and happiness.

Our thanks to all our friends who have helped at all times and in every way to maintain this Shule.

Their assistance has made it possible for us to support all the charitable institutions and needy individuals who turn to us for help. The help of our many friends has enabled us to modernize to a great extent our building: to install a new furnace, new fluorescent lights, a new Ner Tomid, a new Menorah and new fixtures at the pulpit.

We are especially grateful to the Ahvath Zedeck Congregation for the Oren Kodesh they presented to us.

We want to thank especially the Rosenfeld Brothers and the Handmaker Brothers for their generous support in the past.

Our task in the immediate future is to make our Shule even more attractive, convenient and comfortable.

I am confident that with the loyal support of our members, Sisterhood and friends we can, with the Lord's help, accomplish all that we set out to achieve. "Where there is a Will—there is a Way."

With faith and confidence let us face the future.

MESSAGE FROM RABBI DR. BERNARD A. POUPKO

RABBI OF
THE SHAARE TORAH CONGREGATION
AND
CHAIRMAN RABBINICAL BOARD OF GREATER PITTSBURGH

On behalf of the Rabbinical Board of Greater Pittsburgh, I wish to extend heartfelt congratulations to the Chofetz Chaim Congregation upon its Thirty-third Anniversary.

Thirty-three years is an appreciable length of time, wherein you have shown zeal and steadfastness for the cause of Torah and Zion. You have emulated the fine example of our ancestors in furthering the knowledge and observance of Judaism. Thus, the heritage of our fathers is transmitted unimpaired through the lofty standards and superb idealism of your late venerable spiritual leader, the renowned Rabbi Aaron M. Ashinsky, of Blessed Memory. His name and reputation was in no small measure responsible for your prestige and acceptance in the community.

May the Almighty bless your efforts to become a still greater factor for the preservation of Orthodox Judaism. With His help, may you continue to stand as a tower of religious strength, a source of spiritual enlightenment, a center of Jewish consciousness, a living force making for good neighborliness and communal welfare.

Pittsburgh 17, Penna.

In behalf of the Jewish National Fund, as well as for myself, I want to extend my sincerest best wishes to the Chofetz Chaim Congregation upon its 33rd Anniversary.

Throughout more than three decades, the Chofetz Chaim Congregation has served the spiritual needs of our people. It has been a pillar of strength to the Jewish National Fund.

The Chofetz Chaim Congregation and its members have supported the Jewish National Fund with generosity and understanding throughout the years.

I hope that in the years to come, the Chofetz Chaim Congregation will continue to serve its members in our community and inspire us in the service of God and mankind, and may the Jewish National Fund continue to deserve and enjoy the support of your Congregation and membership.

With kindest personal regards to the officers and members of the Chofetz Chaim Congregation,

Sincerely yours,

JUDGE HENRY ELLENBOGEN

A THIRD OF A CENTURY

By HARRY LEVITE, Secretary, Chofetz Chaim Congregation

Rabbi A. M. Ashinsky

Organized and chartered in 1925, the Chofetz Chaim Congregation held daily services in a rented hall until it bought the present building at 5807 Beacon Street in 1930. Much energy and funds have been expended in remodeling a private home into a synagogue which today is a center of religious and charitable activities.

We are rightly proud that our small unpretentious shule is so well known for its distribution of charity, its support of Israel Bond Sales and for the uninterrupted regular-

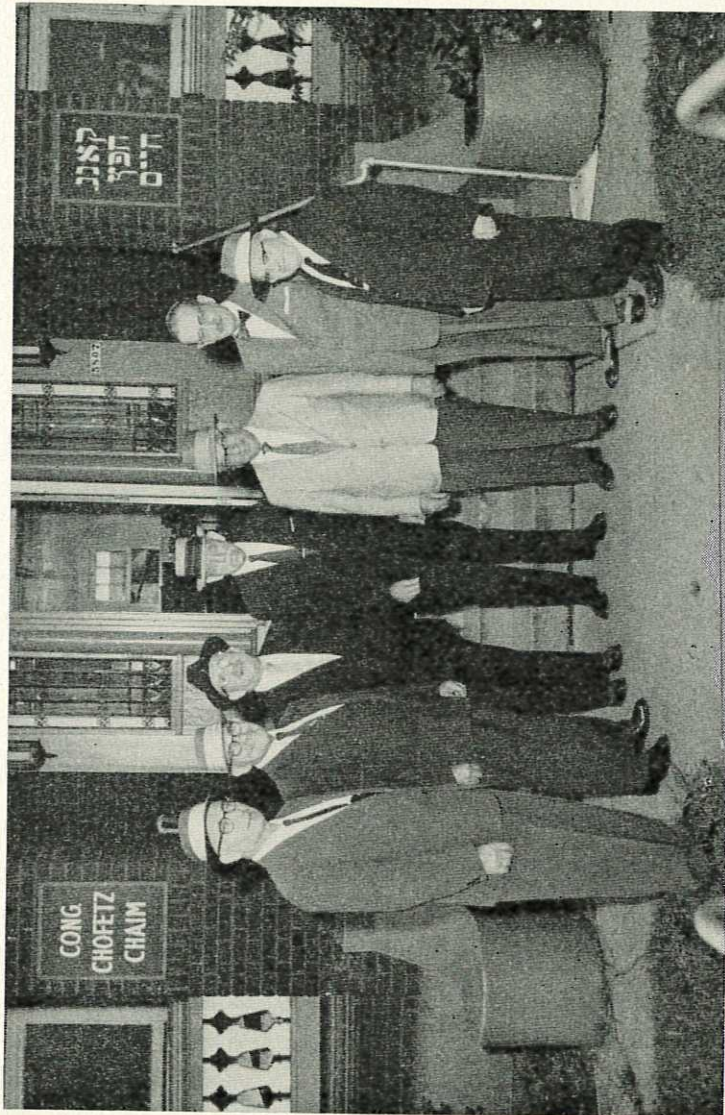

ity of its daily religious services and its devotion to the study of the Torah.

These characteristics of the Chofetz Chaim are due to the teachings and guidance of our Spiritual leader for a quarter of a century—Rabbi A. M. Ashinsky of blessed memory.

It was his example of devotion to Torah, Israel and the Land of Israel that has inspired everyone that serves or wants to serve the best interests of the Chofetz Chaim.

Never a "rich" Congregation, it has nevertheless distinguished itself in works of charity, in loyal generous support to Israel's Renaissance, to the propagation of Jewish learning and study. Our Shule was the birthplace of Yeshivah Achei Tmimim. We have contributed handsomely to the Mizrachi Kiryat Medreshia in Pardes Chanah, Israel, in the sum of \$2500.00. We have given \$500.00 to Bar Ilan University for the Rabbi Ashinsky Humanities Building. In our Shule, young men preparing themselves for the Rabbinate come and find the necessary Sforim and the place for uninterrupted study.

In the Chofetz Chaim Synagogue, one can always be sure of

two Minyonim every morning. In our Beth Medrash echo the voices of those that study Jewish Law and Lore.

In 1934, the Chofetz Chaim bought its cemetery in Churchill Township. It is to the credit of the Beth Aaron Sisterhood of our Congregation that its upkeep and general appearance elicit the favorable comment of all those who visit the final resting place of their loved ones.

For the Jewish women of our neighborhood, our Oneg Shabbath gatherings in our Social Hall offer an hour of Spiritual pleasure, thanks to the leadership of Mrs. Tillie Oshry. The Oneg Shabbath was started many years ago by Mrs. H. Ruderman of blessed memory.

In the past ten years a great deal of attention has been given to the improvement and modernization of the synagogue—a new floor, a new roof, new rest rooms, new system of electric lighting, new painting inside and outside, and a new Ner Tomid and Menorah. We are grateful to the Ahvath Zedek Congregation for the beautiful Holy Ark it gave us.

Mr. I. Katz, President of the Congregation for the past ten years, has devoted his energies daily to the many phases of the Congregation's functions. Tireless in his efforts, devoted wholeheartedly to the Shule, he foresees even greater things for the Chofetz Chaim.

It would be impossible to name with any degree of justice all those who have in the past served or are now serving the Congregation with zeal and devotion. It is however, impossible to omit the name of Rabbi S. Kronzek. From the very first day of his joining our Congregation in 1951, he has placed all his abilities, as Cantor and as Instructor, at the service of the Chofetz Chaim. He conducts classes in Chumosh every Sabbath morning, and in Jewish Law, every evening. He is Cantor during the High Holidays. He does all this voluntarily and without compensation. He gives his time, energy and means for anything the Congregation needs.

The writer has had the privilege of serving the Chofetz Chaim as Secretary for the past 22 years. It is his firm conviction that the decades to come will find the Chofetz Chaim ready as always to contribute its generous share of service and assistance to the religious and organizational life of the Jewish Community.

BETH AARON SISTERHOOD

By Mrs. NATHAN ROSEN, President

The aims and activities of the Beth Aaron Sisterhood have, since its inception, been in keeping with those whose name she carries as a standard bearer—that of the revered Rabbi Aaron M. Ashinsky, of blessed memory.

These policies have been practiced by the noble women who have worked untiringly through the years to accomplish a great deal for the welfare of the Congregation Chofetz Chaim as well as other communal activities.

Financial assistance has been given from time to time to the Congregation in its various improvement projects. Festivities have been celebrated with appropriate programs and get-togethers. Floral decorations for the synagogue are provided during all the major holidays. The memorial tablet of the synagogue was also contributed by our organization. Our main project today is keeping the grounds and appearance of the cemetery in good and presentable condition. We also do our share in communal activities such as Jewish National Fund, Moas Chitim and Mizrachi.

We aim to continue our work in the same spirit and with continued service in the traditional manner of our Sisterhood.
