Rosalie Glickman

Dear Rosalie,

Congratulations! Your efforts in behalf of our recent Consultant Sales and Recruiting Contest made you the top consultant recruiter with 3 new girls!

We're sending our beautiful Prestige Kit to you in appreciation for the excellent job you did. Set your goals high--from the looks of things, you'll really be heading for great things.

It is consultants such as yourself that make my job as Regional Manager as rewarding as it is. I'm proud of you.

Sincerely yours,

Miriam Stone
Eastern Regional Manager
