SPLENDID SERVICES AT THE OHAV  
SHALOM CONGREGATION,  
LIBERTY AVENUE.

---

New Years and Yom Kippur services were conducted at the Synagogue, Ohav Shalom, at 2824 Liberty avenue, by the newly elected Rev. Nathan Silverman, with the aid of his choir, comprised of his own pupils.

The service of Mincha was read by the President, Mr. Paul Freedman. The congregation extends their neartiest thanks to their worthy president, Mr. Freedman, who through his steady efforts has cleared the synagogue of all indebtedness. Mr. Freedman has declined the reelection of the presidency, much to the regret of the entire congregation, for he believes that the best interests can be attained by a rotation in office. The congregation, however, cannot express their appreciation to Mr. Freedman for his faithful and conscientious work, and wish him and the Rev. Nathan Silverman a very happy and prosperous New Year.
